Residency fees for the doctoral programs are inclusive of Residency I and Residency II billed at \$900 each, for students taking the online Residency courses only.

Students applying to the RN to BSN Degree Program may transfer a maximum of 90 semester credit hours. Only 78 semester credit hours of lower division or two-year college coursework will be accepted for transfer credit. Students with a valid RN license will have 12 block credits for the license applied towards the upper division nursing elective requirements. This transfer credit will reduce the total tuition and fees for the BSN program. For example, students applying to the BSN Degree program with an associate degree in nursing and a license to practice may be awarded the following credit hours as a block transfer: 30 credits of lower division nursing coursework, 42 credits of general education (lower division) and 12 credits of upper division elective credits for the license totaling 84 credits. This may reduce the program to 36 credits.
