* Beginning September 15, 2016, Argosy University began using Psychology Centralized Admissions System (PSYCAS). PSYCAS is a centralized application service supported by the American Psychological Association (APA) and Liaison International. Instructions on how to use PSYCAS and how your admissions documents will be uploaded and delivered to PSYCAS for processing can be found in the application: <https://psycas.liaisoncas.com>. Students should create an account for free on the PSYCAS web site <https://psycas.liaisoncas.com>. Creating an account is free. However, there is a \$50 fee to PSYCAS for the first application. If a student is applying to other programs utilizing PSYCAS for the admissions process, an additional \$35 fee is charged for each additional application. The third party PSYCAS fee is not included in the estimate above.

Residency fees for the doctoral programs are inclusive of Residency I and Residency II billed at \$900 each, for students taking the online Residency courses only.

Students applying to the RN to BSN Degree Program may transfer a maximum of 90 semester credit hours. Only 78 semester credit hours of lower division or two-year college coursework will be accepted for transfer credit. Students with a valid RN license will have 12 block credits for the license applied towards the upper division nursing elective requirements. This transfer credit will reduce the total tuition and fees for the BSN program. For example, students applying to the BSN Degree program with an associate degree in nursing and a license to practice may be awarded the following credit hours as a block transfer: 30 credits of lower division nursing coursework, 42 credits of general education (lower division) and 12 credits of upper division elective credits for the license totaling 84 credits. This may reduce the program to 36 credits.
